

Join Us at Allied Schools: A Place Where Learning is Fun and Inspiring

Allied Schools is more than just a place to learn; it's a community where students are encouraged to explore, create, and grow. With our innovative programs, dedicated teachers, and a wide range of activities, we provide an education that is both challenging and enjoyable. We invite you to join us at Allied Schools, where learning is not just about preparing for the future but also about making the present meaningful and exciting. Together, we can help your child achieve their dreams and become a confident, capable, and compassionate individual who will contribute to the future of our nation.

Chairman's Vision

Punjab Group has evolved from a college of commerce to a group that builds on the vision of equipping the masses with the right resource to better their future. Our portfolio has grown and diversified exponentially to include sustainable infrastructure, information technology, health and energy solutions among other projects, yet our vision remains the same. We exist to uplift local communities, and to act as facilitators of success.

Executive Director's Message

An educated nation brings productivity in every field of life. The future of education should focus on the kinds of competencies that help students to grow. The world is changing rapidly. The value of the technology sector is continuously increasing. For this purpose Allied Schools is committed to bring excellence in education through digital technology to improve students' performance and facilitate learning.

PROF. SOHAIL AFZAL

Project Director's Message

SHAHID MAHMOOD, PhD

In education arena, Technology and education are making a serious and positive bonding now. The entire educational scenario is getting more and more scientific and technology based day by day. STEM, PBL & Robotics/AI and MLA are the emerging trends which have become powerful tools for transforming knowledge.

We at Allied Schools are endeavoring to do compatible arrangements for all the stakeholders to meet future needs of teachers, students, parents, our society and the globe at large.

Playful Learning: The Key to Early Childhood Development

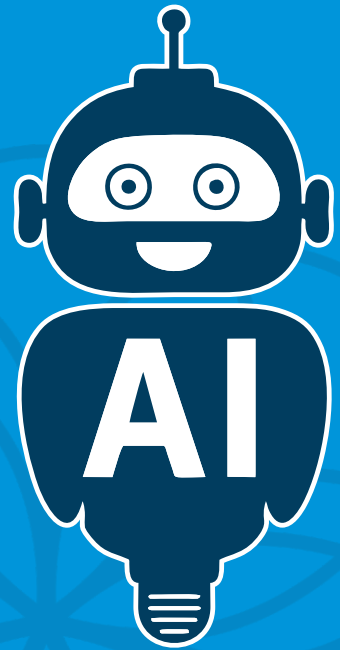

کھیل کھیل میں سیکھنا

For our preschool students, we have embraced Playful Learning techniques that combine education with fun. Play is an essential part of early childhood development, helping children to develop their sensory and motor skills, as well as their problem-solving abilities. Our Playful Learning approach uses games, activities, and interactive lessons to make learning enjoyable and effective. By creating a positive and stimulating environment, we ensure that our youngest learners develop a love for learning that will stay with them throughout their lives.

تخلیقی اقدامات: روبو ٹکس، اے آئی اور اس سے آگے

Innovative Initiatives: Robotics, AI and Beyond

In today's fast-paced world, technology is at the forefront of every industry. At Allied Schools, we have introduced Robotics and Artificial Intelligence (AI) into our curriculum to give our students a head-start. These programs are designed to spark curiosity and encourage students to explore the limitless possibilities of technology. By engaging in hands-on activities with robots and AI-driven projects, students learn the fundamentals of coding, robotics, and machine learning in a fun and interactive way.

STEM Education: تعلیم: ایک مضبوط بنیاد Building a Strong Foundation

Science, Technology, Engineering, and Mathematics (STEM) are the pillars of modern education. At Allied Schools, we integrate STEM education into our curriculum from an early age. Our STEM programs are designed to be interactive and engaging, encouraging students to explore these subjects through experiments, projects, and hands-on activities. By fostering a love for STEM, we aim to build a strong foundation for future careers in these critical fields.

(PBL) پروجیکٹ: تجربے کے ذریعے سیکھنا

Project-Based Learning (PBL): Learning Through Experience

We believe that learning should be an active and engaging process. Our Project-Based Learning (PBL) approach allows students to work on real-world projects that are meaningful and relevant to their lives. Through PBL, students develop critical thinking, collaboration, and communication skills. They learn to approach problems creatively and come up with innovative solutions. This method not only enhances academic learning but also prepares students for future challenges by teaching them to think independently and work effectively in teams.

Kits and Gadgets: Hands-On Learning

To enhance our STEM, Robotics/AI, PBL, and Activity-Based Learning programs, we have developed a range of kits and gadgets to give students hands-on experience with the concepts they are learning. These tools help students to apply their knowledge in practical ways, deepening their understanding and making learning more engaging. Whether it's building a robot, conducting a science experiment, or solving a math problem, our kits and gadgets bring learning to life in a fun and interactive way.

ای لرننگ پلیٹ فارم: تعلیم کہیں بھی، کبھی بھی

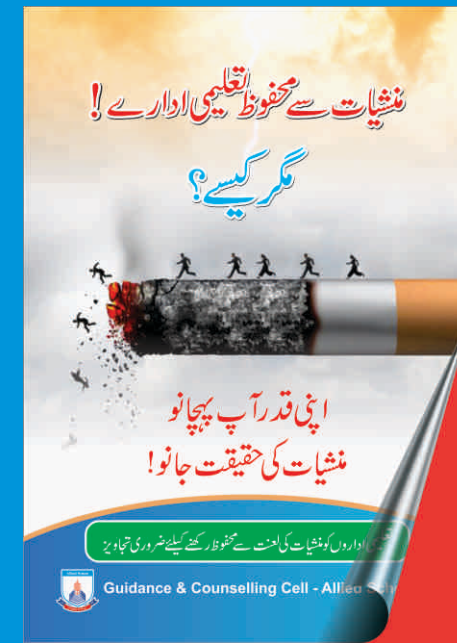

eLearning Platform: Learning Anytime, Anywhere

In today's digital age, learning doesn't stop at the classroom door. Allied School offers an eLearning platform that allows students to continue their studies anytime, anywhere. Our platform includes a wide range of resources, including multiple-choice questions (MCQs), short answers, video lectures, and subject manuals. These resources are designed to help students practice for their exams, reinforce their learning, and gain a deeper understanding of the subjects they study. Our eLearning platform is an essential part of our commitment to providing a comprehensive and flexible education.

سماجی آگاہی: بہتر کل کے لیے تعلیم

Social Awareness: Educating for a Better Tomorrow

At Allied Schools, we believe that education is not just about academic success but also about creating responsible and well-informed citizens. To this end, we have introduced Social Awareness Booklets that cover trending and important topics such as drug abuse, child abuse and covid-19. These booklets are designed to educate students about the world around them and the impact they can have on it. Each booklet is tailored to the age group of the students and presents information in an engaging and easy-to-understand way. By integrating these topics, we aim to instill a sense of responsibility and social consciousness in our students from a young age.

اساتذہ کی تربیت: بااختیار معلمین

Teacher Training: Empowering Teachers

At Allied Schools, we understand that the quality of education depends on the quality of our teachers. That's why we invest in ongoing teacher training programs to ensure that our educators are well-equipped to deliver the best possible education to our students. Our training programs focus on the latest teaching methodologies, technology integration, and student-centered learning. By empowering our teachers with the tools and knowledge they need, we ensure that our students receive the highest standard of education.

اساتذہ اور پرنسپلز کے لیے ویبنارز: مسلسل پیشہ ورانہ ترقی

Webinars for Teachers and Principals: Continuous Professional Development

Allied Schools offers a series of webinars for teachers and principals. These webinars are an integral part of our continuous professional development program, designed to keep our educators at the forefront of the latest educational trends and practices. Our webinars cover a wide range of topics, including innovative teaching strategies, classroom management, technology integration, and student engagement.

نصابی اور ہم نصابی سرگرمیاں: مکمل تعلیم

Curricular and Co-Curricular Activities: A Well-Rounded Education

Education at Allied Schools is not just about academics; it's about developing the whole child. We offer a wide range of curricular and co-curricular activities to help our students discover and develop their talents. From Indoor Games Competitions to Science and Art Exhibitions, Robotics/AI Competitions, Speech Competitions, Maths & Science Mastery Competitions, and Quranic Competitions, our students have the opportunity to participate in a variety of activities that enhance their learning experience. These activities foster teamwork, leadership, and creativity, helping students to build confidence and develop important life skills.

حب الوطنی کافروغ Fostering Patriotism: Celebrating National Days

National days such as Independence Day, Pakistan Day, and Defence Day are celebrated with great enthusiasm at Allied Schools. These occasions provide an opportunity for students to participate in activities that honor the nation, such as flag-hoisting ceremonies, patriotic speeches, and cultural performances. By celebrating these days, we instill a sense of pride and belonging in our students, reminding them of the importance of unity and national identity.

شہداء کے بچوں کے لیے مکمل و دیگر ڈسکاؤنٹس

Supporting Our Heroes: Discounts for Martyrs' Children

At Allied Schools, we honor the sacrifices made by our national heroes. We offer special discounts to the children of martyrs as a way of showing our gratitude and support. We believe that every child deserves access to quality education.

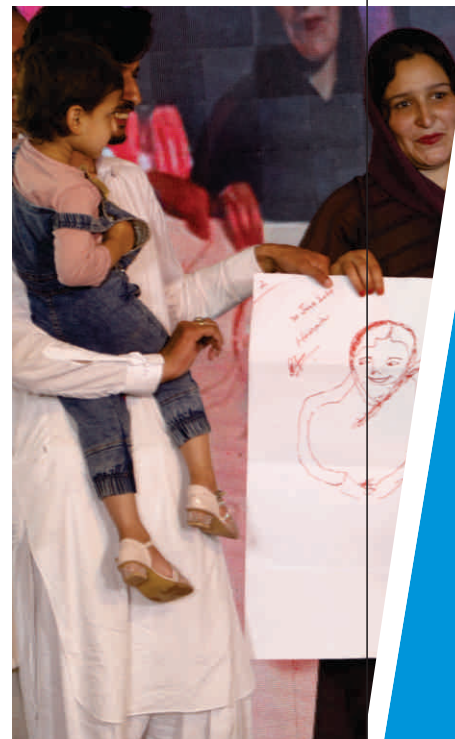

Kids Expo: Family Gala

Every year, the picturesque hill station of Murree comes alive with the excitement and laughter of families and children as they gather for the annual Kids Expo. This much-anticipated event is more than just a fair; it's a family gala that offers something for everyone, making it a highlight of the year for locals and visitors alike.

There's a variety of activities and competitions to engage in. Participants compete for prestigious cash prizes, and win certificates and gifts from a wide array of generous sponsors.

Caring for Students with Disabilities

We are committed to creating an inclusive learning environment where every child is valued and supported. At Allied Schools, we take special care of students with disabilities, ensuring that they have the resources and support they need to succeed. Our inclusive education programs are designed to meet the unique needs of each student, providing them with the tools they need to reach their full potential.
